I found the virtual parents' evening beneficial and it provided me with useful information	97	3		
The school provides good careers education, information, advice and guidance so my child understands the options and progression opportunities available	82	18		
The school is well managed and organised	100	0		
The school has lived up to my expectations	92	8		
I would recommend this school to another parent	96	4		

Parent Comments

*The school is excellent, but disappointed on the closure of the sixth form

* I am happy with the school's performance over such a difficult period.

* Great school, fantastic staff and leadership and a great bunch of kids. I hope there's a chance the sixth form will stay open.

South Axholme Academy response: Thank you for the feedback we will pass on your thanks to all our staff. In regards to the 6th form I would ask you take part on our consultation process.

* Things seem to have gone off the boil now my child is in Year 11. Wouldn't say he is being pushed and he is certainly uninspired/demotivated at the moment.

South Axholme Academy response: Thank you for the feedback. Should you have any specific concerns we ask you contact the relevant teacher or member of Senior Leadership Team to discuss further.

* Virtual parents evening appointments could do with being a couple of minutes longer

South Axholme Academy response: Thank you for the feedback. Unfortunately, in order to manage the evening we only have a limited number of slots available. For 21-22 we have extended the Parents' Evening by 30mins increasing the number of slots available and flexibility for parents. If you require further information post the evening please contact your child's class teacher. We do have plans for 21-22 to extend the evening further increasing the number of slots available for those staff who teach multiple classes within the same year group. In regards to Pastoral Support the Academy has invested in an additional member of staff to manage the Study Base full time. This has provided an opportunity for students returning to school to have a dedicated member of staff available as well as provide a base for one to one support or group support. Also our Progress and Achievement Leaders are non teaching so are available for students throughout the working day. We apologise for any delays in responding to queries. We experience significant challenges in relation to staffing levels and our normal response time of 48 hours is at times not being met. Again we apologise for this.
