The school provides good careers education, information, advice and guidance so my child understands the options and progression opportunities available	93	7
The school is well managed and organised	93	7
The school has lived up to your expectations	97	3
I would recommend this school to another parent	100	0

Parent Comments: -

*Careers advice was poor - our child was not supported.

South Axholme Academy Response: - We are concerned in regard to your comment and would ask you contact the academy immediately to discuss this. Please note we have a comprehensive Future Programme which includes Careers Advice, Guidance and Information. Our SAX Mindset days include a progressive programme of experiences and opportunities to support parents and students. Our independently and highly qualified Careers Adviser meets with all students on a regular basis and was available at the Y11 Parents' Evening. If you require a bespoke meeting with her please get in touch with the academy. The percentage of students leaving the academy for college or apprenticeship continues to be significantly above the national average and as an Academy we have invested a significant amount of curriculum time and finance into our Futures Programme and meet the Gatsby benchmarks for nearly all its indicators.

*Parents evening was better online.

South Axholme Academy Response: Thank you for your feedback. As we return to a more normal way of working, post-Covid, we will consider returning to face to face meetings. This is our preferred way of meeting with parents. We appreciate parents' cooperation and attendance at the online parents' meetings. This has been a great approach whilst we were unable to meet face to face.

* I would love to see my daughter have more inclusion on career advice. Year 11 have experienced no trips (some due to COVID) but not picked up afterwards.

South Axholme Academy Response: Thank you for your feedback. As we return to a more normal way of working, post-Covid, we will return to school trips and activities. Unfortunately, not all of the enrichment type of activities can take place for all students within their time at the academy. We have mapped statutory content for PSHCE and a programme has been created to support the return to schooling. Thanks to our online live lessons approach for all subjects the gaps in learning and have been minimal.

* Excellent school, hardworking teachers, all schools would benefit from more funding.

South Axholme Academy Response: Thank you for your comments.

* I am so glad that I chose South Axholme Academy as my daughters school. I have not regretted my choice and my daughter has flourished! Her siblings are also following in their footsteps. Thank you to all the staff.

South Axholme Academy Response: Thank you for your comments.

* SEN - despite raising in Y8 my daughter has recently had a dyslexia screening and she has struggled in class. The member of staff for Access Arrangements has been incredibly supportive, but we're now at a point it's too late.

South Axholme Academy Response: Thank you for your comments. All students will receive the Access Arrangements they are entitled to through their assessments, mock exams and examination series. Please contact the academy should you want to discuss further your concerns.
