

Literacy & Numeracy Catch Up Funding 2019-2020

SOUTH AXHOLME ACADEMY

Allocations to schools funded in 2019 to 2020:

The Department for Education (DfE) provided additional funding for all students in Year 7 from 2012 onwards, who achieved below their age-related expectations at the end of KS2. This additional funding is to be used by schools/academies to provide literacy and numeracy catch-up support for Year 7 students. It is designed to help students catch up as quickly as possible. The literacy and numeracy catch-up premium provide schools with an additional money for each year 7 pupil who did not achieve standard in reading and/or maths at the end of key stage 2.
