The school provides good careers education, information, advice and guidance so my child understands the options and progression opportunities available	32	1
The school is well managed and organised	34	3
The school has lived up to your expectations	34	3
I would recommend this school to another parent	35	2

**Parent Comments: -**

**Contact with the school can be very difficult and when some teachers never respond when I have concerns about behaviour in order for me to support them- this is both disappointing and frustrating.**

South Axholme Academy Response: - Thank you for the feedback. Our automatic email system alerting parents of any behaviour concerns allows parents/carers to support their child on the same day. We would ask that if parents are particularly worried they contact the academy. We have plans to take on an additional Progress and Achievement Leader at the academy to support our students. And we aim to get back to parents following telephone calls within 48 hours.

**Mr Brooks very enthusiastic and enjoyable lessons**

South Axholme Academy Response: - Thank you for your feedback, we will pass on your comments.

**I look forward to my youngest child joining the school in 5 years :-)**

South Axholme Academy Response: - Thank you for your feedback, we look forward to welcoming your child in the near future.

**My child does still not have satchel one login.**

South Axholme Academy Response: - Students should log in to Satchel One with their username and password that they log in to any computer at the academy. All information about how to log on to Satchel One can be found on the Academy Website. Should you still have any further issues, please do not hesitate to contact us.

**The school in general are brilliant.**

South Axholme Academy Response: - That is great to hear - thank you for your feedback!

**Some classrooms are too hot in summer air conditioners are needed please**

**Concerns regarding the enforcement of wearing a blazer during days of increased temperature in the summer.**

South Axholme Academy Response: - Where possible we endeavour to provide fans in classrooms, during hot weather. Students may also take their blazers off with permission and as directed by the Principal. Our Learning Village is fully equipped with aircon units, however, we appreciate that in other areas of the academy, it can get hot during the summer months, particularly this year where the situation was reviewed regularly.

**Communication could be better ie emails replied to, notification of events (I sometimes receive them on the day).**

South Axholme Academy Response: - We provide upcoming information via the Parent Bulletin every Friday, the Academy Website and via emails sent regarding specific matters. Please check your email account for this information and please do keep checking the academy website.

**It was a pleasure to meet the staff/teachers. Thank you for your time**

South Axholme Academy Response: - Thank you for your feedback.

**It can be difficult to speak to anyone with issues regarding bullying**

South Axholme Academy Response: - We take bullying very seriously. Parents / carers can contact us to speak to the Form Tutor, Progress and Achievement Leader and Class Teacher should they feel that bullying is an issue. If you have concerns, please do not
