The school is well managed and organised	97	3
The school has lived up to your expectations	94	6
I would recommend this school to another parent	97	3

Parent Comments

*** Staff Turnover! 4 teachers in 3 years. Inconsistent approach.**

South Axholme Academy Response: Thank you for your comment. We monitor retention rates of our staffing and ensure our recruitment strategy is proactive in sourcing the very best staff. Whilst we appreciate this may mean students have different teachers at times, our academic outcomes indicate this does not have a detrimental impact on the quality of education. We wish our former colleagues well in their futures and the next stages of their careers.

***Thank you for all the help you've given our daughter.**

South Axholme Academy Response: Thank you for your comment. Please feel free to add your views to the Ofsted Parent View website: [Parentview.ofsted.gov.uk](https://parentview.ofsted.gov.uk)

*** Lack of necessities is a concern**

South Axholme Academy Response: Thank you for your comment. Department budgets are regularly reviewed and linked to the number of students and periods allocated within an academic year. Subject leaders have the option to bid for specific equipment for their area beyond their annual capitation. We are committed to ensuring all our students receive the very best education whilst ensuring best value in all that we purchase or procure.

*** Y11 have had no 'fun' enrichment days, unlike the other years.**

South Axholme Academy Response: Thank you for your response. Student feedback activities over recent years have indicated that the Year 11 students have highlighted that one of the most powerful support and intervention strategies pre-exam was subject specific intervention day on Enrichment Days.
