Develop revision strategies for an exam, to be given the opportunity to **show what you can do** in an exam and to give themselves and their teachers the **opportunity to reflect on the assessments and put specific intervention in place.**

Enable students to sit their exams in the exam venues with external invigilators **following JCQ examination requirements.**

Year 10 End of Year Assessments

Consider **set changes / group changes** to help support your best outcomes

Enable students to sit their exams in the exam venues to **relive any potential anxiety** around this in the official summer 2023 exam session.

All assessments will take place in the main exam venues. For the majority of people this will be in the main gym.

If you have access arrangements you may complete assessments in a separate venue – this is so that we can ensure that you get the access arrangements you are entitled to.

Mrs Ellis (Exams manager) will provide each student with a seating list a week before the start of the assessments.

The topic list for your assessments can be found on the remaining pages in the booklet. Your subject teachers will also give you further information in your lessons.

Please note not all subjects will have an assessment.

What is learning and how do you learn?

How we are supporting your child with their revision in school and how you can support this at home.

How can you create a positive learning environment at home?

How can you support with your child's mental health through an exam period?
