

Year 11 Easter Revision Sessions 2024

The timetable shows the Easter revision sessions.

Please make sure that you read the information in the booklet that shows how to access the sessions.

All sessions will take place in school

- You will need to make your own way to and from school – there will be no school buses during the Easter holidays.
- Please arrive for each session promptly (no longer than 10mins before the start of the session.)
- You should make your way to main reception to meet the member of staff running the session. You should wait in the reception area/ front of the school until the staff member collects you. You must not go on the school site unless accompanied by a member of staff.
- You will then be asked to sign in using a paper register. The staff member will then take you to the room (in main block) where you will be completing your session. Please note we have building works over Easter in the academy, therefore you should only access main block.
- At the end of the session the staff member will take you back to main reception. You must sign out on the registers provided.
- There will be no catering onsite – please bring water etc with you. If you have 2 sessions in school (am and pm in school) then you cannot stay on site between 11.30am and 1pm and must sign out and re-sign in for the following session.
- You do not need to wear uniform – please ensure you are dressed appropriately for a school setting (follow guidelines for an own clothes day.)
- Please ensure that you bring all of your equipment (books, pens, whiteboards etc)
