

4 September 2024

Dear Parent/Carer

Year 11 Prom

Firstly, I would like to welcome all our students back from their summer break. Over the next few weeks, we will be sharing with you some key information and dates regarding their final year at South Axholme Academy and preparation for their all-important GCSE Examinations starting in May 2025.

Yesterday during their assembly, I shared some key information to the students including the Passport to the Prom and the eligibility criteria for an invitation. We are awaiting final confirmation of the date, and this will be provided in the coming weeks.

I have attached the presentation shared with students today regarding the Passport to the Prom. The prom is a school event, and we believe this is a privilege to attend and not a right. We want as many students as possible to attend the Prom to celebrate the end of their formal secondary education. I shared the many ways in which students can continue to gain ACHIEVE points which equate to Prom Points. We believe this will continue to help focus our students and ensure Year 11 is as successful as possible. ACHIEVE points can be monitored by the Arbor app. The presentation is also available on our website and on the Year 11 Team.

Please note that if there is a serious breach of academy rules and a child is issued with a suspension then they will be unable to attend the Prom. In addition, there are other reasons highlighted in the presentation where the invitation will not be issued.

As mentioned earlier, we hope to once again have as many students attend the Prom as possible and I look forward to sharing further information.

[Passport to the Prom Information 2025](#)

Yours sincerely
