

14 March 2025

Dear Parent/Carer

I am writing to remind you that the Year 9 Options Evening for parents and students at South Axholme Academy takes place on **Wednesday 19 March 2025, between 5.00pm - 6.30pm.**

Options evening is an extremely important event. Following individual discussions with staff during parents' evening on Thursday 13 March 2025, you will now have the opportunity to discover more information about the subjects on offer at Key Stage 4 (Years 10 and 11).

The event will take place at the academy in the main hall which will be set up based as a marketplace. Each option subject will have a stall where you will be able to look at displays and ask teachers about subjects available to your child at KS4.

Students have received assemblies over the past fortnight outlining the importance of this event, and they have been made aware that attendance is crucial.

We hope this opportunity will help further support your child with making informed decisions regarding their Key Stage 4 options.

Students should attend in their academy uniform. We look forward to seeing you and your child on **Wednesday 19 March 2025.**

Yours sincerely
