

12 March 2025

Dear Parent/Carer

Year 11 GCSE Examination Preparation Evening, 5.00pm – 6.30pm
Wednesday 26 March 2025

With the GCSE Examinations only six school weeks away and mock examinations now completed, we are holding an Examination Preparation Evening for Year 11 parents/carers and students.

The aim of the evening is to support both parents and students with essential examination guidance as well as useful revision tips and examination paper information. We realise how stressful the next few months will be for both students and parents/carers and we would like to share some useful tips to help you manage these important weeks.

Subject Leaders and teachers from English, Mathematics and Science will be in attendance, holding workshops throughout the evening to provide subject specific information to both parents/carers and students.

The evening will run from **5.00pm until 6.30pm** and students are also invited to attend with their parents/carers (students should attend in uniform as they do for parents' evenings).

The format of the evening will be as follows: -

Please note due to the potential number of visitors on site, if the first talk exceeds the maximum occupancy of the hall, then refreshments will be available in the canteen, and parents/carers will be asked to wait until session 1 starts. The information from the talk will be repeated at 6.20pm for parents and students who have missed the first talk.
