

2 September 2025

Dear Parents and Carers,

I am delighted to introduce myself as the new Principal of South Axholme Academy. It is a real privilege to join such a well-regarded school, known not only for its academic achievements but also for the way it supports the whole child - helping students to grow personally, socially and emotionally, as well as academically.

From the moment I first visited South Axholme, it was clear to me that this is a school with a strong sense of community and shared purpose. The academy's core values - **respect, readiness, and resilience** - are not just words. They are lived out daily in classrooms, corridors and beyond, guiding the behaviour and attitudes of everyone in our academy. I am fully committed to continuing to embed these values and ensuring they remain at the heart of everything we do.

My aim as Principal is clear: to ensure every student thrives in a safe, supportive and ambitious learning environment. I want all our young people to leave South Axholme Academy not only with excellent academic results, but also with the confidence, character and skills they need for future success.

I also firmly believe that strong partnerships between school and home are essential to achieving this. I look forward to working closely with you to support your child through every step of their journey. With this in mind, I will soon be launching some **Principal Surgeries** - informal opportunities for parents and carers to come into school, ask questions, share feedback, and talk with me about all things South Axholme and the wider community. More information about these will follow in the coming weeks.

It is a genuine honour to lead South Axholme Academy into its next chapter. I am excited about what we can achieve together and look forward to meeting many of you very soon.

With kind regards,

A handwritten signature in black ink, appearing to read 'S. Hamilton', written in a cursive style.

Mrs S. Hamilton
Principal
South Axholme Academy
